At SaveyourSum ("we", "our", or "us"), your privacy is important to us. Our website and mobile application, available at [www.saveyoursum.com](http://www.saveyoursum.com) (the "Service"), **do not actively use cookies** for tracking, analytics, or advertising purposes.

That said, please note that certain **external services integrated into SaveyourSum**, such as **price comparison tools**, may involve redirects to third-party websites (e.g., through Safari). These services **might set cookies** independently of us. SaveyourSum does not access, store, or utilize these cookies in any way.

## Third-Party Cookies

Although we don't place cookies ourselves, some features provided via third parties may lead to cookies being set by:

- External price comparison providers
- Linked services like payment systems or analytics tools
- The browser during external redirections

These cookies fall under the responsibility of the respective third-party providers. We recommend reviewing their individual cookie or privacy policies when using such features.

## Managing Cookies

You can manage or disable cookies at any time through your browser's settings. Instructions for this can typically be found in your browser's help section. Keep in mind that turning off cookies may affect the way some third-party services behave or appear when accessed from our platform.
